A nine-month project for young composers reaches its final stage with a weekend of open rehearsals and a free concert premiering seven new works for chamber orchestra.

Last summer, maestro Theodore Antoniou asked seven young composers from around the world to compose pieces for chamber orchestra to be premiered by ALEA III on March 26, 2012.

The young composers worked with their teachers in composing the pieces and with maestro Theodore Antoniou and the ALEA III musicians in preparing them for the concert.
